

# PHILLY'S VEGAN OGs:

## CELEBRATE WITH US

## WHY WE'RE CELEBRATING VEGANUARY

This January, we're celebrating Veganuary — the global movement that encourages people to explore plant-based eating — and honoring something even closer to home: Philadelphia's role in shaping the plant-powered dining scene.

Long before plant-based food was mainstream, Marquis & Co. — the hospitality group behind HipCityVeg, Bar Bombón, and Charlie was a sinner. — set out to prove that vegan food could be bold, delicious, and unapologetically cool. For more than a decade, our restaurants have helped transform how Philly eats, drinks, and gathers.

Veganuary is a moment to reflect on how far plant-based dining has come — and to thank the community that's been with us from the very beginning.

### CELEBRATE WITH US AND WIN \$500

To celebrate Veganuary, we're inviting guests to experience **all three Marquis & Co.** concepts this January.

## A THANK YOU TO OUR COMMUNITY

Please note: while HipCityVeg gift cards are valid at all locations, Bar Bombón and Charlie was a sinner. are located exclusively in Philadelphia.

This campaign is about more than a giveaway — it's about celebrating the guests, team members, and city that helped make plant-powered dining part of Philadelphia's story.

Whether you've been with us since day one or you're just discovering us during Veganuary, we're grateful you're here.
